Pólizas del Concilio de Acción*

We believe recess is a necessary component in the school day of elementary students. It is important for reasons of health, academics, and the social and emotional development of children.

We support POWER-PAC's ***Recess For All!*** Campaign and call upon the Chicago Public Schools to reinstate recess for all elementary school students.

Creemos que el recreo es un componente necesario durante el horario escolar de los estudiantes de las escuelas elementales. Es importante por razones de salud, razones académicas, y por el desarrollo social y emocional de los niños.

Nosotros apoyamos la campaña ¡Recreo para Todos! de POWER-PAC y le pedimos a las Escuelas Públicas de Chicago que reincorpore el recreo en el horario escolar de los estudiantes de todas las escuelas elementales.
